Having secured the agency of them for this city. This stove possesses advantages over common stoves, in thickness of the plate, and improvements in the draft. It is given up by all stove dealers and manufacturers, to be the best pattern for a descending fire, of any stove now made East or West.

This stove was patented September, 1852, and wherever they have been used, have given general satisfaction.

The stove weighs some forty pounds more to the number than any other stove ever brought to this city. The plates in them are from one-half to three-fourths of an inch in thickness. No. 1 weighs over 300 pounds. We warrant them all against fire.

In making up clubs, it may frequently be desirable to unite in a single club both "home magazine" and "home gazette" subscribers. This can be done by always making the club price to the magazine subscriber one dollar twenty-five cents, no matter what the size of the club may be. The extra copy to the getter-up of the club, in all such cases, can be the gazette or magazine, at the option of the party who is to receive it.

**Postage on Arthur's Home Magazine.**—If paid quarterly or yearly in advance, 18 cents for the whole year.

### HOLLOWAY'S PILLS.

EXTRAORDINARY CURE OF LOSS OF HEALTH, DISORDERED STOMACH, INDIGESTION AND DETERMINATION OF BLOOD TO THE HEAD. Copy of a letter from Mr. John Lloyd, of Erw-wen, near Harlech, Merionethshire.

To Professor HOLLOWAY:  
 Sir—I avail myself of the first opportunity of informing you, that for a very long period I was afflicted with a dangerous giddiness and frequent swimming in the head, attended by loss of appetite, disordered stomach, and generally impaired health. Every means had failed to give me any permanent relief, and at length I became so alarming that I was really afraid of going about without an attendant. In this melancholy condition I waited personally upon Mr. Hughes, Chemist, Harlech, for the purpose of consulting him as to what I had better do; he kindly recommended your Pills, I tried them without delay, and after taking them for a short time I am happy to bear testimony to their wonderful efficacy. I am now restored to perfect health, and enabled to resume my usual duties. You are at liberty to publish this letter in any way you may think proper. I am, Sir, your obedient Servant,

June 6th, 1852. (Signed) JOHN LLOYD.

Extract of a Letter from Edward Rowley, Esq., of India Walk, Thrope, dated April 8th, 1852.

To Professor HOLLOWAY:

Dear Sir—I send you a duty I owe to you and the public at large, to inform you of a most miraculous recovery from that dreadful disease, Dropsy, and which, under God, was effected by your invaluable Pills. I was tapped five times within eight months, and skilfully treated by two medical practitioners, but could not get cured, until I had recourse to your remedy, and notwithstanding all I had undergone, this miraculous medicine cured me in the course of six weeks.

(Signed) EDWARD ROWLEY.

Dear Sir—I am requested by a Lady named Thomas, just arrived from the West Indies, to acquaint you that for a period of eight years, herself and family suffered from continual bad health, arising from disorders of the liver and stomach, Indigestion, Loss of Appetite, violent Head-aches, pains in the side, weakness and general debility, for which she consulted the most eminent men in the colony, but without any beneficial result; at last she had recourse to your invaluable Pills, which in a very short time effected so great a change for the better, that she continued them, and the whole family were restored to health and strength. Further, she desires me to say, that she has witnessed their extraordinary virtues in those complaints incidental to children, particularly in cases of Measles and Scarletina, having effected positive cures of these diseases with no other remedy.
